## Form 1 Explanatory Notes

### DEFINITION OF SALES IN ONTARIO

Regulation 26/05 under the *Travel Industry Act, 2002* defines sales as follows:

"Sales in Ontario" when used in reference to a period of time, means,

- (a) in the case of a registered travel agent, the amount paid or to be paid to or through the travel agent for all travel services sold in Ontario during the relevant period, or
- (b) in the case of a registered travel wholesaler, the amount paid or to be paid to or through the travel wholesaler for all travel services sold in Ontario during the relevant period.

The *Travel Industry Act, 2002* defines travel services as transportation or sleeping accommodation for the use of a traveller, tourist or sightseer or other services combined with that transportation or sleeping accommodation.
