

Trade Shows and Upcoming Events

The Travel Industry Council of Ontario attends various consumer and industry trade shows throughout the year to promote awareness of TICO, the consumer protection provisions found under the *Travel Industry Act, 2002* and the benefits of purchasing travel services from Ontario-registered travel retailers and travel wholesalers. From time to time, TICO also holds roundtable sessions to discuss issues with its stakeholders as well as informative seminars. Check our listings for where you can find us.
