

FILING EXTENSION REQUEST FORM

VERIFICATION STATEMENTS / FINANCIAL STATEMENTS

TICO registrants must routinely file a verification statement or financial statement, based on the prescribed filing deadlines described in Ontario Regulation 26/05. The Registrar has the discretion to grant a filing extension but grants these extensions sparingly and on a case-by-case basis.

Submitting a filing extension request does not guarantee that an extension will be granted. Therefore, if you are seeking a filing extension on behalf of a registrant, please complete and submit this filing extension request form as early as practical to tico@tico.ca. If the Registrar denies your filing extension request, you are expected to file the required statement(s) by the prescribed deadline.

The Registrar will not grant any filing extension requests after a prescribed deadline has passed.
